Blossom by Evolkad - Pokerdeck

In the film and television culture of Japan, we believe that the two most representative genres are Anime and Japanese-style horror. For this work, we have combined the two and, in addition, incorporated the unique color-changing technique in card printing to bring you a one-of-a-kind piece - Flower, Tree, Leaf.

Blossom Playing Cards

Roses, girls, and a tragic and desperate love. This is an extreme yet beautiful expression of love. We have materialized this emotion and incorporated it into the card. The moment you hold it in your hand, you will feel that shock in your heart.
