Each Celebrity Smart Ass Pro Pack Includes:

- A set of fifty-four, 4 inch x 6 inch lined index cards with 25 pre-printed celebrity first names. The font used on the cards looks like the names were handwritten by you. You also receive 2 blank index cards to add your name and/or the name of a local celebrity.
- A beautiful hard shell index card carrying box - that looks like you just bought them from an office supply store.
- Two blank index cards to customize with a permanent marker, your name, a local celebrity name, etc.
- A black heavy duty fiberboard prediction envelope with velcro closure tabs, to hold the celebrity prediction safe between shows and always performance ready.
- 1 large 11" x 17" three-stage revelation tabloid photo printed on 110lb card stock.
- Black mesh pop-up hamper to invite your participant to toss the index cards into. This keeps your cards & stage clean!
- Instant download instructional video featuring live performances, step-by-step handling and lots of ideas and options to spark your creativity is included.
- Downloadable and printable PDF image of the force celebrity image to use in any prediction revelation, real or digital.
- **PLUS** Live Performance and Explanation of the all-new 3 phase Celebrity Smart Ass Telepathy routine, an extension of the original routine that involves more spectators, produces more reactions and rounds out the effect!
