

The Vault - Retention by David Roth video DOWNLOAD

The most visual, simple, astonishing coin vanish in the world!

Part science, part sleight of hand. David Roth shows you not only how to make a coin vanish for others, but how to fool yourself doing it. It really does look that good! **Retention** is the ultimate vanish to add to your toolbox. It can be done with a borrowed coin anytime and anywhere, regardless of your location, culture, language etc.

People will swear that the coin is your hand - but it is not!

Download **Retention** today and learn from David Roth who is, without question, one of the world's finest coin magicians.
