

In My Mind by Luca Volpe and Titanas video DOWNLOAD

The Vision

This is the close-up version of the Horus Eye in which the spectator becomes a clairvoyant.

The Connection

An easy to do drawing duplication with less than \$5 props.

The Experience

An ultimate journey to your spectator s mind.

The Hallucination (ACAAN)

A very practical any card at any number with a psychological twist.

The Call

An astonishing long distance mind reading effect.

Reviews:

"...Wow The Call was one of those "Why didn't I think of that" moments I LOVED IT That's a reputation maker for potential clients "

- **Raymond Doetjes**

"Just watched the video and I liked it a lot. The Connection is my favorite because I like simple and creative methods that leave plenty of room for presentation - a superb drawing duplication. Good luck, Luca. You did a wonderful job."

- **Roy Zaltsman**

"I think that these routines are really good and I can see myself performing them. Once again Luca has given us some MORE great stuff."

- **Ray Noble**

"Luca, your new video really kicks some a\$\$

And I mean it Luca's present release shows how he has made QUANTUM LEAPS in both creativity AND performing skills. The video is professionally made, the settings used are great and Luca's explanations are clear and to the point.

EXCELLENT JOB "

- **Paolo Cavalli**

"Luca Volpe's IN MY MIND contains some extraordinary performance material. The drawing duplication alone is worth the price of admission. Absolutely lovely!"

- **Ben Harris**
