

## Compression by Daniel Lachman video DOWNLOAD

*Visually Smash A Bic Pen Into One Half Its Original Size.*

**No Switches. No Sleeves. End Clean.**

The compressed pen writes and is completely examinable. You can even give it away to a spectator to keep as a souvenir! They will find nothing because there is nothing.

Keep this hard-hitting effect with you everywhere you go!

- Extremely easy to master
- Can be performed surrounded
- Made in under 15 minutes
- Resets in seconds
- Can be given away as a souvenir

**Compression** is great for any performance setting and gets amazing reactions.

The video consists of the following sections:

- Demo Video with Live Performances
- Introduction
- Simple Explanation
- How To Make Compressio
- Detailed Handling

Now with over fifteen minutes of Bonus Material:

- Performance Tips
- Performance Ideas
- Special Handling

**NOTE:** For use with your own Bic Disposable 'White Barrel' Pens. Pens are **not included** with video.
