

Wicked World Of Liam Montier Vol 2 by Big Blind Media video DOWNLOAD

Enter the twisted but brilliant mind of the UK's Liam Montier. Famed for his inventive and ingenious solutions to every magical plot he tackles, this respected practitioner has a magical effect for every situation.

Like some mad inventor, Liam has the ability to take ANY object to hand and construct a fantastic routine. Across the two volumes of 'The Wicked World...', you'll find material using everything from cards, coins, bubblewrap, bank statements, lollipops, corks, business cards, socks, string - you name it, Liam will use it!

And what's even better, is that the stuff is EASY!!
