At The Card Table, Volumes 1-3

Darwin Ortiz makes his living with a deck of playing cards. As a full-time professional close-up magician and gambling consultant, he is constantly in demand to appear at colleges and business conventions, as well as consult with casinos worldwide. His corporate clients have included IBM, American Express, Aetna and Price Waterhouse. He is considered to be the world's foremost expert on crooked gambling and his books written for the public on the subject are said to be the best of the genre. Darwin Ortiz has brought the art of sleight-of-hand to a new level of perfection. He is a rarity, an expert who is as entertaining as he is informative. Now Darwin shares his magical secrets with you, detailing some of the effects that have made him one of magic's most respected performers.
