

Flicker by Michael Paul video **DOWNLOAD**

New from the mind of Michael Paul comes Flicker! This is a magic first. A new concept, a new card magic plot.

With no moves, or misdirection, an ungimmicked, red backed playing card flickers wildly from red to blue, and then back to red! Included in the instant download is a video that will explain the Flicker concept, and give you six routines to perform using Flicker, including a street magic masterpiece, a color changing deck, and a stunning three color change from red to blue, back to red, and finally to white! This has been reviewed all over the internet, and people are raving. Don't be left behind. Learn Flicker now.

"I love it! Flicker LOOKS and FEELS like real magic. A no move color change...sign me up!" - **Justin Miller**

"Dude, seriously? That looks RIDICULOUS! I mean that in a good way. Truly an unbelievable illusion" - **Sean Fields**
