Materializing spectator's thought onto a **signed** blank card...

Imagine being able to turn a SIGNED double blank card into a thought of playing card. Front AND Back, with the spectator's SIGNATURE on the FACE of the card!

The most talked about underground effect 2009 is finally hitting the market. Equip yourself with one of the most powerful and practical tool in your arsenal.

"There is a point in magic where the spectators fool themselves... This effect exploits that to the max. I can tell you from performing this, it's a beautiful moment for the participant and the performer. I call this effect 'Something From Nothing!' "

- **Andrew Gerard** from *Mind Freak*

"A visual, mental miracle that happens in their hands, this is an offbeat, simple effect that gets amazing reactions!"

- **Bro Gilbert** from *True Astonishment Project*
