Volume One - Totally Mental

- **PHOTO FINISH** -- A bunch of photos cut into quarters are mixed and four pieces randomly chosen. These pieces form a complete picture.
- **NATURAL SELECTION** -- The magician controls the spectator's will to select the odd card among a group.
- **MAGIC SPELL** -- Alphabet cards are mixed and five are chosen, but the word MAGIC comes up each time it is tried.
- **HARLAN HOOKUP** -- The magician makes a spoon move with his mind, then demonstrates that he is creating an energy field between his hands which can easily be felt by anyone.
- **UNDER COVERS** -- Writing appears inside a previously empty matchbook.
- **DESTINATION UNKNOWN** -- Coins from various countries are hidden under cards and a small toy airplane is placed onto the card a spectator chooses. The cards are turned over and letters upon each spell out the country which matches the coin chosen.
- **MIXED EMOTIONS** -- Poker chips bearing icons of emotion are stacked by a spectator and the magician predicts which emotions will be chosen.
- **BOTH SIDES AGAINST THE MIDDLE** -- A spectator shuffles a deck under the table and reverses one card, placing it back in anywhere. The magician has predicted the reversed card and the card next to it.
- **CRYPTIC COOKIE** -- A fortune is read which appears to have nothing to do with a selected card, but when folded it reveals the name of the selection.
