

## **David Roth Ultimate Coin Magic Collection Vol 2 video DOWNLOAD**

Dai Vernon referred to David Roth as the "greatest coin manipulator in the entire world." On these special double-length videos, David teaches some of the techniques that earned him not only accolades from the Professor but from magicians worldwide. This is visual, miraculous coin magic taught by one of the greatest practitioners the world has ever known. Learn from the best-it's the ultimate!

### **Volume Two - Magic with Coins & Silks/Magic with the Okito Coin Box**

In this volume, David Roth performs and teaches a variety of routines that combine coins and silks. Penetrations, transpositions and changes-it's all visible, elegant and easy to do. Also, learn the miracles possible with an Okito Coin Box from one of its masters-the various kinds of boxes, their history, their applications-and most of all, some amazing magic!
