### ***Featured routines Vol.1 include:***

- 1.Simplex Transpo - John's very clean and direct transposition of two signed bank notes using a wonderful Tamariz idea
- 2.Gemini reflections - Using a wonderful Karl Fulves idea, spectator and magician replicate each other perfectly in this location
- 3.Coinkidinky - John's variant on a great Alan Ackerman effect. A very simple and strong production of a four of a kind
- 4.6 card O and W - A quick 4 phase oil and water that is ideal for strolling workers
- 5.Split and spread control - A very deceptive tabletop card control inspired by Bernard Billis
- 6.Interlocking flyer - A vanish and magical translocation of a selection
- 7.Kick- 4 Queens - a signed card and a ton of visual action in this walk- around worker
- 8.Imaginary Reality - John's take on the classic do as I do plot using a real deck and one in the imagination. A strong, memorable piece using a wonderful Vernon idea

9. Conscious/Subconscious - Another do as I do designed for the working magician

10. Two to Tango - A selection and a thought of number come together in this impromptu revelation involving 2 spectators

11. Crystal Transposition - A very direct divination and transposition combined. Perfect for restaurant and bar work

12. Shh it's a Mystery... - John's super direct and engaging approach to a Brother John Hamman card classic
