Always powerful & often hilarious this is real world mentalism for the stylish, bold

performer.

"Andy Nyman is my favorite mentalist in the world. His performances are an absolute joy, full of punch, humor and superb acting. Watching him work has taught me a huge amount about how to make my performances have more impact."

- Derren Brown

"The first time I saw Andy Nyman perform, I knew I was enjoying one of the best performances of mentalism for an audience I had ever seen, or ever would see. His brain runs on rocket fuel. His performances are original, funny, arresting, and rock solid theatre. I believe Andy Nyman is a magician playing of an actor."
