

## **A Life In Magic - From Then Until Now Vol.3 by Wayne Dobson and RSVP Magic - video - DOWNLOAD**

Rsvpmagic are very proud to release this 3 volume set by our long time friend Wayne Dobson. This is without doubt our largest project to date with all three videos running in at just under SIX HOURS in length, featuring some 17 routines that can now be performed in either stage, parlour or close-up situations.

### **VOLUME 3**

**INVISIBLE DECK** - Wayne's favorite version of the invisible deck routine. **NO SPECIAL DECK** and easy to do!

**CONTINUOUS DO AS I DO** - Wayne's take on the Pat Page routine, described on video for the first time. Uses two regular decks.

**THE CRYING GAME** - Watch Wayne's classic TV version and then enjoy Matthew J. Dowden's brand new routine "The Card in Fortune Cookie" using the same principle in a close-up setting. **SUPERB!**

**SECOND CHANCE** - A brilliant effect using two decks of cards, that you can make up yourself in a few minutes. Baffling, strong magic that's easy to do!

**ACAAN ALMOST** - Wayne's take on the Any Card At Any Number plot. Simple and works every time.

**MARKED PHENOMENA** - A real worker that will have a place in your working set.

Bonus Material includes:

**HANDLING SPECTATORS**  
**CHOOSING THE RIGHT PEOPLE**  
**ON THE ROAD WITH DEAN MARTIN**
