

The Dwarfs by Stefan Olschewski - Video - DOWNLOAD

Four randomly selected spectators...

Three fair choices...

One amazing killer prediction...

Get ready for "**The Dwarfs**"!

Experience one of the most baffling and entertaining mentalism routines out there. Stefan explains his complete FISM act in great detail - nothing is held back. Now you will be able to perform the act everybody was talking about. And even if you don't: the numerous creative methods and amazing secrets revealed on the Download can be easily used as stand-alone pieces for your own routines.

"CASSANDRA" inside

The secret of the ingenious "**Cassandra Device**" alone is worth many times the price of this Download! This extraordinary method allows you to secretly switch a large written prediction which has been in full view the entire time. Sealed in a clear plexiglass box!

Lots of food for thought from one of Germany's top mentalists!
