

WD40 by Wayne Dobson eBook DOWNLOAD

WD40 contains 40 great tricks from Wayne's own professional repertoire, and more than a quarter of them have never been published before. The tricks are real crackers and not too difficult to perform. "Wayne's tricks are brilliant!" says magicseen editor Mark Leveridge, "they do not contain difficult sleights - but are so clever and get maximum audience reaction."

Wayne's book is available in both semi-hardback and a limited edition hardback versions.

Please also note that the book is for ADULTS ONLY as it contains strong language!!
