

Stage Make-up by Dave Womach Video DOWNLOAD

Dave Womach has spent many years learning the right techniques for applying make-up for stage and television. Finally there is a Download that teaches just that; "Stage make-up for magicians and assistants." Use this Download to train yourself, then loan it to your assistants so they can learn how to apply theatrical make-up.

There's no need to run out and buy the most expensive make-up out there. In this Download Dave teaches you where to find high quality make-up, almost anywhere in the world, for a low cost! He's even included a section about hair pieces for your assistants so they can look stunning and perfect for all your stage shows, stand-up shows, television appearances, and large arena tours. Enjoy this Download, you'll get plenty of use out of it!
