

Taming Training & Tricks by Chet & Dave Womach Video DOWNLOAD

Chet Womach - Professional Parrot Trainer, and Dave Womach - Professional Magician, combine their two unique skills to bring you an entertaining way to tame and train your wild-out-of-control-screaming-biting parrot. Even if your bird is tame now, you can teach it amazing tricks within 15 minutes of watching this Download!

The Womach Brothers combine training techniques and magic to tame and train your parrot in a matter of days. You will discover how teach your parakeet or other small parrot to appear from thin air or turn into confetti and vanish. Your cockatiel, african grey, or other mild sized parrot will even learn to perform an amazing card trick.
