

## Ellis Aces IV (Vol.4)by Ed Ellis video DOWNLOAD

**Ellis Aces** - A lightning fast and highly visual finger tip single card production...multiple uses!

**Stair Step Control**- Any four cards are inserted out and injogged. this creates a **STEP** look and the feeling of deck **DEPTH** before being squared. The last card is openly shown and maybe handled by the spectator before insertion! Then all appear on top with no extra handling!

**Axis Double** - Designed to be openly shown then the indifferent card is placed in the middle of deck with **NO APPARENT DITCH** of object card on top!  
Demonstrates Ed's **INTENT CONTINUUMTHEORY**.

**Rifle Slip Force** - A known force with the addition of **THE CARD CAME FROM THE CENTER,LOOK**.

**Card Style** - Additional ways to **Add Single Card Flair** than previously featured in **Volume One. Materialize**.

**Earth Shattering Magic** - Hot card ideas to be seen on a future **Download...Then all collapses!!!!**

**Thanks** to Dan Baxley on camera and sound, and master editor Harold E. Brown Jr. Great Job!

So sit back, relax and enjoy this amazing Download presentation, and see for yourself why many refer to Ed Ellis as the **"World's Fastest Hands"**.
