

## Best of Duffie Vol 2 by Peter Duffie eBook DOWNLOAD

This new volume contains material from all of Peter Duffie's ebooks, from 1992 up to the present time. A total of 49 routines have been extracted and reprinted in this new volume - two routines from almost every book. Where there were illustrations; these are also included. As a bonus item, I have included Easy-Print; a routine inspired by Alex Elmsley's Dazzle and which I marketed by mail-order in 1994.
