

Flip's Truly Magical Rope Mag. video DOWNLOAD

Join international magic star Flip Hallema on this special double-length video as he performs and teaches his original rope creations-and it's rope magic unlike any you've ever seen before. In most of the effects, the rope isn't even cut, yet the sequences are funny, whimsical-and very magical. And, best of all, it's easy to do! What's more, all of the effects are modular. Perform the routines as taught or add your favorite sequences to rope routines you already perform. Contains:

Routine One: Flip's Routine

Learn this and you'll have a rope routine you'll perform for the rest of your life.
Contains: Stretching the Rope, Cutting Rope Without Scissors, Sliding Knot with Kicker, Two Unequal Ropes to Equal Ropes, Restoring Rope in Middle, Restoring the Rope from Pocket, One Continuous Loop From Pocket, Knot Restoration, Ball of Rope Vanish

Routine Two: Chinese Knot Routine

A rope routine with a difference. Knots tied in an ordinary piece of rope behave in mysterious and magical ways.
Contains: Scientific Knot, Three Different Vanishing False Knots, Instant Knot, Reappearing Knot, Family of Knots, Sayonara Knot

Rope Penetrations

Routine these together or add them to your existing routine. Either way, your audiences will believe you can pass a solid piece of rope through anything!
