

Magic of McBride video DOWNLOAD

Jeff McBride's extraordinary magic, mask, myth, drama and illusion reflects his lifelong study of magic's multi-cultural roots. On these tapes, McBride, the world-renowned performer and master storyteller, teaches you the inside secrets of his professional working repertoire. McBride, named Magician of the Year by The Magic Castle, is recognized as a foremost innovator in contemporary magic. He is a regular headliner in Las Vegas, Atlantic City and major show palaces worldwide.

In addition to his work as a performer, McBride is a much sought-after lecturer and workshop leader. McBride is founder of The Mystery School, a conference for the advanced study of the magical arts.

Now the best of McBride lecture/performances has been captured on this special download. Volume 1 shows McBride performing magic for an intimate audience McBride revealing an aspect of himself and his magic that many of his fans may not have seen before, performing magical pieces with common objects which are within the range of any performer. On Volume 2, McBride shares his insights and teaches you every nuance and subtlety of each of the pieces performed on the first tape. Not only the techniques, but how and why he came up with his presentations for each, and how you can do the same to make your magic truly personal, unique and powerful in your own way.

This revolutionary teaching format provides a new way to share your magic tapes with your friends. You can show Volume 1 to all your friends - magicians and non-magicians alike. Volume 2 contains the secrets - for magicians only!
