

D-coin by Deepak Mishra - Video DOWNLOAD

Dcoin is a highly visual miracle done with 3 coins: 1 Bronze and 2 Silver. A perfect four phase routine which involves the idea of coin color changing and sandwiching..

These coins can be borrowed or even signed.

This is pure sleight of hand and requires no set up whatsoever, it is 100% impromptu. Real magic for real world.

Filmed in HD from two different camera angles, covering every possible detail to perfect this awesome routine.
