

Hit the Road by Paul Wilson & Lee Asher video DOWNLOAD

From *Hollywood's World-Famous Magic Castle* to the casinos of *Las Vegas* and even into *Alcatraz*, join Paul and Lee as they discover the magic and magicians of America's West coast.

Along the way, you'll learn magic from some of the biggest names in the business:

Alain Nu

Vanishes a silk without the use of prosthetics .

The Buck Twins

Tip two of their signature routines.

Alan Ackerman

Fries another victim.

Earl Nelson

Teaches a classic production from "Variations".

David Regal

Makes a baffling prediction.

Dean Dill

Matrixes with anything you like.

Ashford Kneitel

Finds four ladies with his "card compass".

Steve Beam

Spirals and slices.

Nathan Kranzo

Makes coins vanish and appear without getting burned!

PLUS six excellent effects from *Paul Wilson and Lee Asher*.

A selection rises out of any deck-then finds its three mates!

A deck of cards ribbon spreads in mid-air!

The magician blows the whole trick-then recovers with a real kicker!

A pack seems to come alive as it is cut in the hands-yet nothing takes place!

Four aces are lost in the deck then found behind your back-instantly!

Four freely selected cards change-face-up-to the four aces!

But even all of this is only the tip of the ICEBERG.

Hit the Road is absolutely loaded with private sessions, exclusive effects and interviews featuring some of magic's most colorful characters, featuring over an

hour of footage from Paul and Lee's trip plus explanations and out takes. *Hit the Road* is truly a unique video experience.

Running Time Approximately 140min
