

## **Bill Malone On The Loose (Vol. 1 thru 4) video DOWNLOAD**

For the last 25 years, Bill has made his living performing magic and along the way, he's made numerous appearances on national television (including NBC's "World's Greatest Magic" and "Lifestyles of the Rich & Famous") in addition to performing for high profile clients that, if listed, would read like a "Who's Who" of corporate America.

In the "On The Loose" series, you'll see why Bill is one of the most entertaining and successful magicians of our time-and you'll learn some powerful, commercial magic at the same time. Besides tricks, you'll be privy to inside information from a guy who really knows the business side of magic-tips that will help to bring your own performances to life and make your business as an entertainer more successful.

With Bill Malone, it's all about presentation, style and timing, so sit back and enjoy your front row seats for one of the funniest magicians on the planet. You're entering the Malone Zone-and Bill is on the loose!
