

David Regal Set (Vol. 1 thru 3) video DOWNLOAD

Remember when these DVDs were released? People were BLOWN OVER by the variety of material, and the strength of David Regal's performances. They are densely packed DVDs, with each disc crammed full of terrific and unusual magic. This set was BEGGING for a downloadable release, and we are pleased to say it's here! Now you can own all three DVDs AS A SET. No shipping--you can download it right away.

This set--perhaps more than any other L & L set, is pure FUN TO WATCH. You can, of course, learn many fine routines, gaffed and impromptu. But the set is just a pure joy to watch and, repeatedly, to get fooled. Here are some favorites:

Deep Guilt Aces: The SPECTATOR cuts and turns over all four Aces. This will fool the pants off EVERYONE.

Cups and Balls and Cups and Balls: This is the most personal, entertaining cups and balls effect ever devised. It transcends a trick and is, quite truly, art.

Dave's Move a Card: This is the one you will KILL the other magicians with. It will entertain lay audiences, but it devastates magicians, and can be done with a borrowed deck.
