

Beyond Fundamentals by Bob Cassidy AUDIO DOWNLOAD

Bob Cassidy, who's act has been described as one of the most perfect in mentalism, has created a brand new, complete act he'll reveal to you within "**The Act: Beyond Fundamentals**"

"**The Act**" will serve as a focal point for Bob to discuss more of his *invaluable fundamentals of mentalism*. Each effect will illustrate one or more points necessary to achieve a successful performance.

In this recording and lecture notes of his sold-out tele-event Bob reveals:

The Scorpio Variations - This is one of Cassidy's pet secrets which he's sharing for the first time during a teleseminar and features material which has been out of print.

The Tossed Out Deck - The hows and why of this mentalism standard along with Bob's wonderful touches!

Achieving Thematic Unity - One of the most important concepts in building one's act!

Powerful Closers and Standing Ovals - These are some of the most important secrets to having your act become unforgettable!

Probe and Push - This is Cassidy's sure-fire technique that he uses to implant specific thoughts in a spectator's mind.

The Psychologically Implanted Movie Scene - This is an advanced version of Cassidy's classic "freely selected" movie scene routine.

Beyond the "Almost Real Prediction" - A new approach to Jack London's classic routine and the "eliminate one" principle!

Plus a look at book tests, the "Sugar Bowl" utility device and more...
