

## The Invisible Billet by Bob Cassidy AUDIO DOWNLOAD

**What if you could have a powerful technique that makes billets virtually invisible in your hands?**

Or an impression device hidden in an innocent item that no one would think twice about -- yet it becomes a deadly information gathering tool in your mentalism arsenal?

Even better yet, taking Dr. Seuss' beloved book "Green Eggs & Ham" and using it to present a dynamic book test your audience will enjoy?

**Mentalism legend Bob Cassidy has done it again...**

In his new ebook and MP3 audio commentary "The Invisible Billet" he not only reveals those three items but also goes deeper into other tools, techniques and ideas you can use right away.

Bob has always explored new and cutting edge techniques in the world of mentalism, but now he's presenting some brand new ideas and reworked several old ones and put them together just for you.
