

Mastering Q&A: Advanced Techniques (Teleseminar) by Bob Cassidy - AUDIO DOWNLOAD

This is the second in a three-part series on the Q&A routine, which has long been considered as the most powerful routine a mentalist can do and the "backbone of mentalism," according to **Bob Cassidy**. The first teleseminar featured the history, foundations, and background of this essential mentalism art.

Now, **Bob Cassidy**, arguably the most influential mentalist the last few decades, is sharing with the mentalism and magic community the advanced techniques of performing Q&A that he featured in his landmark, exclusive, and highly acclaimed Q&A workshops!

Learn the following essentials of Q&A and how it can transform your act:

- billet and switching techniques, including three instantly downloadable videos in which Bob teaches three essential techniques!
- the Hanussen Approach, suggested by the legendary performer who was infamous as being "Hitler's Jewish clairvoyant."
- using and analyzing handwriting analysis as part of a Q&A routine
- presentations of Q&A using a blindfold
- brand new ideas for a classic mentalism gimmick that can be used for Q&A and that can be made from materials found in any convenience store or supermarket!

plus much, much more....
