

## **BREAK by Kevin Schaller - Video DOWNLOAD**

Break is a gimmick that allows you to fold a kink into a card and move it to another position. It is a REAL kink, you can let the spectator feel and examine before and after!

- Real kink
- Nothing to palm
- Nothing taken away
- Show the card both sides

The gimmick is easy to make, very versatile and gives you a lot of space to find your own routines and ideas.

Over 15 minutes of detailed instruction.
