

Ultimate Self Working Card Tricks Volume 3 by Big Blind Media video DOWNLOAD

Ten incredible self working card tricks. Zero moves. 100% awesome.

"In magic, today as always, the effect is what counts. The methods used are always purely secondary."

- **Dai Vernon**

Ultimate Self Working Card Tricks Vol3 collects together ten of the greatest card tricks of all time - routines that will absolutely decimate any audience. Yet despite their incredible impact, they do not require any sleight of hand. Yep, these barnstorming effects are SELF WORKING! Using ingenious methods that will allow you to fool absolutely anyone, they ensure that you can purely concentrate on your performance.

From Daryl's insanely visual 'Rising Card' to Sal Piacente's impossible multiphase card cheat demonstration 'Memory Opener' to Caleb Wile's magician fooling 'Armchair Mindreading', these are truly world class magic tricks.

Seriously these are NOT your run of the mill self working effects - these are some of the most powerful card tricks ever invented - they just happen to require no sleight of hand.

Prepare to fool the pants off your audience. And while they are busy reeling from the impact of these stunning effects, you will be able to have a little laugh inside about just how EASY to perform they were!

Ultimate Self Working Card Tricks Volume 3 is hosted by James Went (from the Bafta winning hit BBC show 'Help, My Supply Teacher Is Magic'), Liam Montier, Ryan Schlutz and Owen Packard.
