Indeed British national newspaper "The Sunday People" described Royle's Psychic abilities in a 1996 article as "uncannily accurate" and in the early 90's Psychic News dubbed him as "The New Uri Geller & Doris Stokes rolled into one".

Whilst Royle freely admits that all the Psychics mentioned here may actually be genuine, he is also aware of how their feats can be duplicated with trickery and clever psychology and that's exactly what he teaches you within the pages of this dynamite book!

His method of Belly Button Reading - nicely named as Navel Gazing - is a case study of how to take a standard New Age belief (such as Chakra Points) and turn them into a convincing, commercial and fun method of reading.

You may not take up Navel Gazing Yourself but you will certainly be inspired to come up with your own original reading methods. This is also the first time I've seen mention of Psychic Healing in a text for Mentalist's and his handling of it is something I find acceptable. You don't make any outrageous claims and what you do could well actually help people!

What's great in particular about this book is that it doesn't just give you some

great "how tos" but also tells you WHAT to do with the methods. You'll find out how he has successfully used his methods of Belly Button Reading and Paw Reading for pets to regularly get on Radio, Television and to get lots of features in National Newspapers and Magazines.
