

Hypnotism & Sex by Jonathan Royle and Alex-Leroy - ebook DOWNLOAD

Subtitled "How to Get Laid 365+ Times a Year!" - Hypnotism & Sex was written by Royle in his former stage name of Alex-Leroy and has been featured in practically every UK Daily & Sunday Newspaper, Numerous International Publications and as part of many magazine and TV or Radio show features!

The contents are controversial to say the least and reveal how to Hypnotise (with their consent) any member of the opposite sex so that they believe you are their favourite TV, Movie or Sporting Hero and as such want to jump into bed with you there and then!

What's more he also teaches you numerous techniques to increase your attractiveness to others and covers subjects such as creating rapport and how to be a red-hot lover when you get them into bed!

The contents of this amazing publication are controversial and unique to say the least and you should not order if easily offended or under the age of 18!

If you want to learn the true secrets of Hypnotic Seduction and find out how to get your leg over with ease then this is the book for you! There is also a very valuable self-help section teaching how to use self-hypnosis to solve many sexual problems with positive mind power alone!
