

## **The Four Aces Project by Nathan Kranzo video DOWNLOAD**

### **Dribble Aces**

You dribble through the deck and ask four different spectators to call stop as you do this is an amazing open handling of the spectator cuts to the four aces.

### **Dillweed Aces**

This is a beautiful revelation of the four aces that is visual and makes you feel a little bit of Nirvana.

### **Packet Cut Aces**

Based on Eddie Fechter's amazing packet force this is discovery will have people wondering if you made a pact with the devil.

### **Deal With It Aces**

A coincidence effect inspired by father Cyprian that has a final "in the hands" revelation that will leave them stunned.

### **Cockroach Aces**

This is eye candy. An Ace production that looks like magic.

### **Flippant Aces**

A beautiful visual routine inspired by the great Master Earnest Earick that utilizes the famous Flippant move in an interesting way.
