

Blind Square by Bizau Cristian video DOWNLOAD

Fresh from the mind of Bizau Cristian comes Blind Square, a brilliant and baffling sleight that can be used as a top control or a bottom control. Your spectator's selected card is placed into the center of the deck. In an instant, with no apparent moves, their card travels to either the top or the bottom of the deck-it's up to you!

The Blind Square download not only teaches the core move, but also teaches two transposition effects in 25 minutes of clear instruction. Blind Square can be done with any borrowed deck of cards and will be an immensely useful part of your arsenal. Learn it today!
