

Witchcraft by Arnel Renegado - Video DOWNLOAD

A chosen card slowly appear and revealed on playing card box tab just by holding it.

Spectator select a card and put it back lost on the pack, you then rip the tab ,(or hold the box), and ask your spectator to hold it and focus on their chosen card and by just holding the tab an image appear slowly and it is there selected card. Welcome to Witchcraft IV. Easy to do, nothing to taken away or ditch in, give the rip tab with the image as a souvenir.
