

At The Table Live Lecture - Caleb Wiles 10/15/2014 video DOWNLOAD

Caleb Wiles is an author, creator, a columnist for Genii and an all-around nice guy! His lecture is full of incredible close-up routines that are designed for the real world! Every effect has been highly acclaimed by some of THE most important critics in magic - REAL LIVE AUDIENCES. But that's not to say that YOU won't be excited about his material. His marketed effects, including High Spots, Six Pack and Rematch, have received rave reviews from magicians all over the world. So, take a look at what Caleb plans to bring to you:

Reswindled: This is a version of Re-set that even Paul Harris says is THE best version EVER!

CLUE: An easy-to-do effect where 'Clue cards' reveal the identity of the spectator's selection. But that is only the beginning! This uses an underutilized principle that most magicians have never seen before!

Replicator: A topical presentation Hamman's Signed Card plot with a kicker ending that absolutely KILLS laymen!

Spin the Wheel and Make the Deal!: A "Deal or No Deal" themed card trick with an absolutely impossible ending. Laymen go nuts!

PLUS:

- I Deck
- Impossible Mindreading
- Birthday Card Trick
- The Fully Automatic Card Trick
- Paparazzi Pack

Download Caleb's lecture and enjoy learning all of the above!
