

At the Table Live Lecture - Chris Mayhew 12/30/2014 video DOWNLOAD

Chris Mayhew. The mighty Chris Mayhew is but a young chap who fools when he performs. Plain and simple. His CAANDY effect absolutely fooled the heck out of some of the most knowledgeable sleight of hand technicians around. To say it bluntly, Chris Mayhew is damn good. His technique and skill? Truly uncanny. He is so good in fact that it has been rumored that even Dai Vernon tried to contact him once.

It's already been mentioned that CAANDY was a huge HIT. So was A Clockwork Apple. It was an amazing success. If you are a true card man, then please do not miss out on the opportunity to see Chris Mayhew at work! Mayhew have a look at what he plans on performing and explaining in his lecture?

Mr. Hands - A devilish way to transform a card in someone's hand.

Running Man - An impromptu way to perform Anniversary Waltz.

Ambitious Card - Featuring The Lazy Rise

Dairy Queens - A McDonald's Four Ace Routine handling spun with a chaotic twist

Safety - A simple three-phase Linking Safety Pin routine

Questions - A surreal sandwich routine with a kickback-style ending

The Hole Thing - A visual sandwich concept using two Jokers with holes.

Meduimph - Triumph is put in the spectator's hands in a very simple and powerful way.

NOTE: *Due to the nature of live events, the trick list may change.*
