

## **Publicity for Magicians by Jonathan Royle - Mixed Media DOWNLOAD**

Within the pages of this dynamite PDF Ebook you will find links to a total of Twelve (12) mind blowing instructional videos, which collectively contain over 12+ Hours of step by step instruction and eye opening training that will teach you exactly HOW TO BECOME FAMOUS.

Yes that's right your going to be taught the tried, tested and consistently proven to work Secrets, Strategies and Techniques that have enabled Jonathan Royle to appear on literally 100's and 100's of National and International Television and Radio Shows and also to be regularly and extensively featured in National and International Newspapers and Magazines with his Magical, Hypnotic and Psychic Entertainment talents.

No stone is left unturned as he first shows you examples of the TV and Radio show appearances he has made and the newspaper and magazine features he has enjoyed, before he then reveals exactly how he obtained all this Free Publicity for his acts, talents and shows.

What is perhaps even more valuable is that he also reveals how to make money from these appearances and of course how to ultimately create more demand for your services, whilst enabling you to be able to demand and obtain higher fees and more regular bookings with ease!

As these videos were filmed at one of Royles Live Seminars entitled "Secrets of Hypnotic Success" as an extra Free bonus you will also learn everything you need to know in order to precisely & safely conduct hugely profitable Group Hypnotherapy Treatment Sessions for Smoking Cessation, Weight Management, Confidence Building and Phobia Elimination. This is the perfect additional money producing sideline for Mentalists, Hypnotists and Psychic Entertainers.

And if that's not enough, Royles colleague Robert Temple will also reveal (within the pages of the PDF) the simple Five Step System that can be used to help you to earn money whilst you sleep, by merchandising and internet sales of products and virtual services related to your particular Acts, Shows and Talents.

Royle has travelled the World and his shows have been watched in quite literally all 4 corners of the world thanks to his numerous International Television & Radio

Performances and Media Appearances.

Now in this PDF he gives you access (private weblinks) to enable you to watch (online via the internet) over 12 hours of video training that truly could set you on the path to Stardom and Success in all you do.
