#### Magic Tricks with the *Cootie Catcher*

Known around the world as a fun item that little girls fold out of a piece of paper and play with as children, the "*Cootie Catcher*" or "*Fortune Teller*" is recognizable to kids six years old as well as elderly adults. With "*Cootie Catcher Magic*", you'll see their eyes light up as you perform magic that utilizes this fun and nostalgic prop.

#### *Effects:*

**The Fortune Teller (close-up and stage versions)** - Both kids and adults love it!

**Lie Detector** - Tell two different people if they are lying or telling the truth as well as which card they selected!

**Halloween Cootie Catcher** - A themed version of the cootie catcher for different holidays.

**The Pickup Artist** - A great way to get a conversation started with a member of the opposite sex!

**How Women Make Decisions #1 & #2** - They'll be laughing with this idea from Stephen Bargatze.

**Little Victoria's Secret** - Need we say more.

**The Psychic's Tool Kit** - Show how "psychics" learn their craft!

**Bonus Trick** - A gaffed and non-gaffed version of the cootie catcher for stage performances!

#### **Additional Tricks in the E-book:**

**Your Favorite Magician** - Your audience will tell you how much they love you!

**Your Own Super Hero (script only)** - something special for comic book fans

**Happy Birthday Cootie (script only)** - Great for birthday party magicians!  
**A Gospel Cootie (script only)** - Share the Gospel with this version of the Cootie Catcher.

**Included:**
