**-Jay Sankey**

This is your chance to watch one of magic's most off-beat entertainers perform thirteen of his "bread and butter" routines for a live audience. And because the effects are presented in groups of two and three rather than individually, this is also a unique opportunity to learn from the overall flow of a live Sankey performance! Sit back, grab a pack of cards, order a pizza and get ready for the time of your life. Welcome to the delightfully magical world of Jay Sankey.
