

Ring Tricks 2.0 by Stephen Ablett video DOWNLOAD

Ring Tricks 2.0 is the ultimate in impromptu magic using an ordinary borrowed finger-ring. First, see the various routines several times in different places to different people, all with their own unique endings. Then watch a full explanation explaining all the effects in details.

This 2.0 version features over 30 effects including an entire new routine, new endings and effects with a ring. With a running time of over two hours, this really is the most in-depth look at tricks that can be performed with an ordinary finger ring.
