

## **Body Tricks by Stephen Ablett video DOWNLOAD**

Body Tricks is a collection of 64 magical effects using nothing but the human body.

Learn to remove your own thumb, stretch your fingers, twist your hands and levitate of the ground. This is the ultimate in impromptu magic, tricks that can be performed instantly without the need of any searching for props.

Whether you're a professional magician, hypnotist, psychic or just looking for some interesting stunts to amuse your friends, there is something here for everyone.
