This is: "**Gold Experience**" from Rockstar Alex

What you can learn from it:

One method to produce 4 kings, aces, queens or any 4 of a kind. Incredible, Fast and Visual; Best for an opener of a 4 of a kind routine. I haven't see any spectator who saw this and not go: "**WOW**". It makes you look like and expert card handler, and the best part is: It's not hard to learn at all.

One method to a 1 handed card Change/ Switch that is very pretty and fun to perform, you will need a table, show a card on both sides, throw it on the table, snap your finger and see the magic happen. This can be done with any deck or business card.

Two **BONUS** handlings for coin vanishes for FREE. Worth the price of the Download alone, this is a very good deal because i used to sell these **two BONUS** for the higher price. You put the coin in your empty hand and it's gone, show BOTH of your hands empty no special clothing require, you can do it even if you're NAKED in a strip club. It's quite knacky but worth the effort, practice makes perfect, my friends.

Tips, FREE Bonus, HD video, nice music... and more.
