

Behind My Back by Abhinav Bothra - eBook DOWNLOAD

Another version to the classic *Card Calling Trick* but this one is **ON STEROIDS!**

The spectator selects 4 cards while the performer is facing away.
After selection, the performer turns his back toward the spectator.
The spectator shuffles the 4 cards and holds 2 in each hand.

With performer's back turned towards the spectator

He is able to call out the sum of the values of the card in each hand.
He proceeds to identify the cards.
And even calls out which card is in which hand.

Uses **NO MARKED CARDS.**

Can be done with a **BORROWED DECK.**

Do it for 1 person or a 100.

Great reactions every time.
