

Synchronicity by Chris Ramsay video DOWNLOAD

Chris Ramsay has created an astonishing collection of sleights which are directly extracted from his working repertoire. From visual miracles to undetectable and invisible deception, learning the mechanics involved in Synchronicity will allow you control, steal and visually change a selected card in a way that will make move monkeys drool and lay people swoon.

Aeon Control: A visual and remarkably fooling way of controlling a selection. Visual retention at it's finest, Chris teaches the inner workings of his most elegant card control.

Klepto: Silent, Invisible, undetectable and absolutely beautiful. Stealing cards has never been so deceptive.

The Marvel change: a selection visually and instantly changes to another, show your hand empty and change it back in the blink of an eye!

A remarkable and devastatingly deceptive collection of sleights is taught in this detailed download by Chris Ramsay. Be the envy of your magic entourage or simply bask in the adoration of your audience.

This. Is. SYNCHRONICITY
