Break the Law of Gravitation anywhere and anytime, use ANY Matchbox and your single fingertip.

This is what they said about Foundation!!

"It's really Amazing!! The Plus point it's Impromptu!!"
- **Lyndon Jugalbot** (*Creator best seller effect "Unwritten"*).

"A clever method for an impromptu suspension."
- **Oliver Smith** (*Creator best seller effect "Foresight"*)

"I love it my brother, impromptu and examinable, your trick is really smart"
- **Laurent Mikelfield** (*Creator best seller effect "Smiley"*)

Foundation is a best solution from Rizki Nanda to break the law of gravitation anywhere and anytime, only use a borrowed Matchbox and your single fingertip.

Place Any Matchbox on the edge of your single fingertip and with a little bit concentration you balance it.

This is a wizard ability because you use any borrowed Matchbox and don't need anything like:

- Magnet
- Weight
- Wire
- Thread
- Loops
- Sticky/Adhesives
- No tricky your Nail

Best of All this is Impromptu and Easy to do!!

A perfect Closing or Opening effect for Any Matchbox routine and leave an examinable matchbox at the end!!
