

At the Table Live Lecture - Dani da Ortiz 01/28/2015 - video DOWNLOAD

We have seen Dani DaOrtiz MELT the minds of his fellow magicians during late-night sessions at conventions time and time again. With a mix of his unique approach to magic thinking, influences from names like Tamariz and Ascanio, and his unconventional and always massively entertaining presentations it is no surprise that Dani is in demand all over the world.

You will not only learn hard-hitting material, but also how to connect with your audience. You will feel bold enough to take risks like never before, and see how he makes all performances feel unique no matter how many times you've seen them before.

Here's your chance to be inspired, fooled, and amazed by one of the most entertaining magicians alive - **Be a part of the At The Table Experience this January!**
