

Gnostic by Cedric Taylor - eBook DOWNLOAD

Gnostic is a system that allows any mentalists or mystery performer to be his/her own consultant. This is being dubbed as "arguably the most dangerous manuscript ever written". Gnostic is structured so well for the stage performer, if placed in the wrong hands, it could legitimately start a cult.

Gnostic is not just an effect, its a full stage show. It puts the power in the hand of the performer. Why spend tons of money on mentalism consultants, when you can be your own consultant?
