A Few Reviews On Contents of This Unique Package:

"Royle's ACAAN stage routine is a simple, but effective version of this normally difficult-to-execute routine. I can honestly say that in all my years, I have never seen so much quality material offered for so little money!"

**Stephen Tucker Budget Magazine (IBM - British Ring)**

"Royle has some unique, creative and entertaining takes on such classics as the Chair Test, ACAAN, Hoys Tossed Out Deck and the Russian Roulette Plot which

are certainly worth a closer look and take them to the next level. At times he had the audience on the edge of their seats and overall this show was top notch"

**Peter Turner (The Devil In Disguise, Jinxed & Bigger Fish)**

"I have always had my doubts about mixing comedy and mentalism until I watched Royle's Egg, Sausage & Peas Show. I really enjoyed your lie detector routine, I feel this always plays well with a large audience. Your psychometry routine was absolutely hilarious. I have never seen belly buttons used before to give character analyses. This is an absolute gem. The finish with the specs ring was also strong. The book test was well positioned in your show. As Cassidy says you should never open with a book test otherwise your audience will think you are using a confederate. The spectator synchronicity with cards was very baffling and the magic square made for a very strong finish. All in all a very enjoyable show."
